HERITAGE

Founded in 1925, The Riley Motor Club is one of the oldest one-make car clubs and is the original Riley Club.

The Club is a member of
 The Federation of
 British Historic
 Vehicle Clubs
 and

The Association of Riley Clubs.

Past and present Club officers include
 William Riley, Victor Riley, Cecil Riley,
 The Earl of March and Sir Malcolm Campbell.

CENTRES

The Club's activities are organised and run by its Centres, each with its own committee.

These are currently:

East Anglia
London
Midlands
Northern
Southern
West of England

LOCAL MEETINGS

Local activities are organised by groups within each Centre and comprise monthly meetings,

Club displays at classic vehicle shows, visits to museums, evening and weekend drives, social activities and evenings, race meetings, participation in restoration shows and other motoring events.

NATIONAL EVENTS

National events include the Club's Annual Rally and AGM, displays at major classic car shows at the NEC, Manchester and Bristol and the London to Edinburgh Run which commemorates the founding of the Club.

INTERNATIONAL

The Club has members in North America, Europe, Australia, New Zealand, South Africa and South America. All receive the Club's magazine and are able to buy parts through the Club's Spares Scheme.

OBJECTIVES

The Riley Motor Club is an international Club for owners and enthusiasts of the Riley marque.

It caters for all ages of Rileys, from the first Riley car of 1898 through pre-war and RM models to the BMC Rileys of the late 1960s; all owners and enthusiasts are warmly welcomed by the Club.

As the Club for all Rileys our objectives are:

To preserve and enjoy Riley cars of all ages.

To unite Riley enthusiasts worldwide.

To ensure that future generations share our enthusiasm for the Riley marque.

RILEY ARCHIVE

The Club has an extensive archive of Riley-related material. This is divided into three sections:

Service and Spares manuals.

Technical drawings, circuit diagrams, service bulletins and factory documents.

Riley Motor Club material including a collection of Riley Motor Club magazines dating back to the 1920s, Riley sales brochures, owners handbooks, circuit diagrams and a comprehensive photographic collection.

The Club archive is available for research purposes by appointment.

RILEY RECORD

The Club's 32 page, full-colour magazine, Riley Record, has been published since the 1920s and is distributed bi-monthly to members worldwide. It contains event previews and reports, features on members and their cars, technical articles, members' news, views, letters and classified adverts. In addition to Riley Record, some Centres provide their own newsletter.

CLUB SPARES

The Club's Spares Scheme is able to supply most of the parts members need to restore, maintain and service their Rileys. All spares are supplied by mail-order, with every member receiving the spares list for their car. Due to the Club's mutual trading status, VAT is not charged on spares items to members in the UK.

Riley Motor Club Spares has worldwide product liability insurance, including for safety critical items: brakes, steering and suspension parts.

TECHNICAL ADVICE

The Club has a team of Technical Advisers for all models of Riley cars. In addition, the Club has a comprehensive library of factory technical, service and repair manuals and drawings.

Members are also able to purchase copies of specialist Riley technical publications.

WEB SITE

The Club has a web site at www.rileymotorclub.org, a forum where members may contact and keep in touch with Riley owners around the world and a Facebook page.

MERCHANDISE

The Club has a range of clothing, books and other Riley Motor Club merchandise for members to purchase.

CLUB INSURANCE

The Club does not restrict members to a single insurer but has a number of schemes with leading classic car insurance brokers. These are advertised in Riley Record.
